

Curriculum Vitae
Bethany Ann Teachman

Personal Information

- ❖ Address: University of Virginia, Department of Psychology,
102 Gilmer Hall, P.O. Box 400400, Charlottesville, VA, 22904-4400
- ❖ E-mail: bteachman@virginia.edu
- ❖ Phone: Office: (434) 924-0676, Fax: (434) 982-4766

Current Research Interests

Cognitive processes that contribute to the development, maintenance, and reduction of fear and anxiety disorders, especially automatic information processing biases; stigma of mental illness.

Principal Investigator Project Implicit Mental Health (launched September, 2011)
(<https://implicit.harvard.edu/implicit/pimh/>)

Positions

Professor	Department of Psychology, University of Virginia	2014 - present
Fellow	Stanford Center for Advanced Study in the Behavioral Sciences (CASBS)	2011 - 2012
Director of Clinical Training	Department of Psychology, University of Virginia	2010 - 2011, 2012 - present
Associate Professor	Department of Psychology, University of Virginia	2008 - 2014
Assistant Professor	Department of Psychology, University of Virginia	2002 - 2008
Visiting Scholar	Department of Psychology, Stanford University	Fall 2005

Education

Clinical Psychology	University of Virginia	2002 – 2003
Postdoctoral Residency	License to practice as clinical psychologist granted August 2003 by Commonwealth of Virginia, Department of Health Professions	
Clinical Psychology Intern	Massachusetts General Hospital Cognitive Behavioral Scientist track	2001 – 2002
Ph.D., Psychology	Yale University Doctoral thesis: <i>Untangling the web of fear associations: An investigation of automatic processing in spider phobia</i> Supervised by Sheila Woody, Ph.D.	May, 2002
M.S., Psychology	Yale University Masters thesis: <i>Self-focused attention and causal attributions in evaluative social situations</i> Supervised by Sheila Woody, Ph.D.	May, 1999
Honours B.A., Psychology	University of British Columbia Honours thesis: <i>Moral development in the peer and family context</i> Supervised by Larry Walker, Ph.D.	May, 1996
Student Exchange Program	University of Melbourne, Australia	1994-1995

Grants

NIA R01AG033033

Title: Age Differences in Distress Following Intrusive Thoughts

Role: Principal Investigator

Location of Tenure: University of Virginia

Value: \$1,894,116 (U.S.\$)

Period Held: 2009-2014

NIAAA R01AA021763

Title: Using Implicit Measures to Improve Prediction of Hazardous Drinking

Role: Co-investigator (PI: Kristen Lindgren)

Location of Tenure: University of Washington

Value: \$348,950 (U.S.\$ for 2013)

Period Held: 2012-2017

NIH RO1MH075781

Title: Fear in the eye of the beholder: Fear and the perception of spatial layout

Role: Co-Investigator (Principal Investigator: Dennis Proffitt)

Location of Tenure: University of Virginia

Value: \$1,309,729 (U.S.\$)

Period Held: 2007-2011

Community-Based Research Grant from the University of Virginia Institute on Aging

Title: Aging and Anxiety: Intrusive Thoughts as a Barrier to Healthy Aging

Role: Principal Investigator (with Joshua Magee)

Location of Tenure: University of Virginia

Value: \$4,300 (U.S.\$)

Period Held: 2008-2009

NIMH R03 MH068756

Title: Information Processing and Treatment for Panic Disorder

Role: Principal Investigator

Location of Tenure: University of Virginia

Value: \$152,375 (U.S.\$)

Period Held: 2005-2007

Max Planck Network on Aging Junior Fellow Grant

Title: Age Differences in the Predictors of, and Responses to, Anxiety Symptoms

Role: Principal Investigator

Location of Tenure: University of Virginia

Value: \$9,992 (U.S.\$)

Period Held: 2006-2008

University of Virginia Institute on Aging Pilot Grant

Title: Subjective cognitive complaints as a predictor of anxiety and obsessional thinking in older

populations

Role: Principal Investigator

Location of Tenure: University of Virginia

Value: \$17,500 (U.S.\$)

Period Held: 2004-2005

Social Sciences and Humanities Research Council of Canada

Title: Properties of Disgust and Fear

Role: Collaborator (Principal Investigator: Sheila Woody)

Location of Tenure: University of British Columbia

Value: \$110,000 (Cdn.\$)

Period Held: 2001-2004

American Psychological Association Dissertation Research Award

Title: Implicit cognitive processing among individuals with spider phobia: Treatment outcome

Role: Principal Investigator

Location of Tenure: Yale University

Value: \$1,000 (U.S.\$)

Period Held: 2000-2001

Natural Sciences and Engineering Research Council of Canada Fellowship

Title: Implicit associations for fear-relevant stimuli among individuals with snake & spider fears

Role: Principal Investigator

Location of Tenure: Yale University

Value: \$38,200 (Cdn.\$)

Period Held: 1999-2001

John F. Enders Collaborative Research Grant

Title: Implicit Attitudes Toward Phobic Stimuli: Changes Over Treatment

Role: Co-Principal Investigator

Location of Tenure: Yale University

Value: \$1500 (U.S.\$)

Period Held: 1999-2000

Consulting

NSF 0819240

Title: Collaborative Research: A Multi-Method Approach to Stigma and Status Processes

Role: Consultant (Principal Investigator: Jeffrey Lucas; Co-PI: Jo Phelan)

Location of Tenure: University of Maryland, College Park and Columbia University, Mailman

School of Public Health

Value: \$162,693 (U.S.\$)

Period Held: 2009-2014

NIMH R01MH096027

Title: Stigma Associated with a High-Risk State for Psychosis

Role: Consultant (Principal Investigator: Lawrence Yang)
Location of Tenure: Columbia University
Value: \$955,994 (U.S.\$ for 2012-2014)
Period Held: 2012-2017

NIAAA R21AA021151
Title: CBM: A Novel Intervention for Alcohol Dependence and Social Anxiety
Role: Consultant (Principal Investigator: Elise Clerkin)
Location of Tenure: Miami University
Value: \$204,125 (U.S.\$ for 2013)
Period Held: 2013-2015

Mentorship on Grants and Awards

American Psychological Association Dissertation Research Award
Title: The age of anxiety: A multi-dimensional perspective on age and anxiety across the adult life span
Role: Principal Investigator (with Jennifer Green)
Location: University of Virginia
Period Held: 2013-2014

K99 AA017669, R00 AA017669 NIH Pathway to Independence Award
Title: Retraining automatic biases related to problem drinking in College students
Role: Mentor for Kristen Lindgren, PhD
Location of Tenure: University of Washington
Value: \$913,488 (U.S.\$)
Period Held: 2008-2013

F31MH083337 NIH Ruth L. Kirschstein National Research Service Awards
Title: Modifying implicit social anxiety associations: An experimental intervention
Role: Principal Investigator (with Elise Clerkin)
Location of Tenure: University of Virginia
Period Held: 2008-2009

F31 MH074166 NIH Ruth L. Kirschstein National Research Service Awards
Title: Development of information processing in spider fear
Role: Principal Investigator (with Shannan Smith-Janik)
Location: University of Virginia
Period Held: 2005-2007

American Psychological Association Mental Health and Substance Abuse Services Fellowship
Title: Ethnic differences in somatic triggers of anxiety
Role: Mentor for Tynessa Gordon
Location: University of Virginia
Period Held: 2004-2007

Scholarships, Fellowships, and Gifts

Center for International Studies Faculty Travel award (sponsoring outreach work in Romania)

Location: University of Virginia

Value: \$1500 (U.S.\$)

Period Held: 2011

University of Virginia Teaching Fellowship

Location: University of Virginia

Value: \$7000 (U.S.\$)

Period Held: 2006-2007

Charlottesville-Albemarle Community Foundation: Funding for study on stigma of mental illness through the Mental Health Services Fund

Location: University of Virginia

Value: \$1000 (U.S.\$)

Period Held: 2003

Yale University Fellowship (annually for 5 years)

Location: Yale University

Value: \$11,000 / year (U.S.\$)

Period Held: 1997-2002

University of British Columbia Morris Belkin prize for Top Psychology Honors Thesis

Location: University of British Columbia

Value: \$300 (Cdn.\$)

Period Held: 1996

Honors and Awards

Association for Behavioral and Cognitive Therapies Outstanding Mentor Award 2014

Fellow, Association for Psychological Science 2013

American Psychological Association (APA) Distinguished Scientific Award for Early Career Contribution to Psychology (in the area of psychopathology) 2012

Programmatic Distinguished Visitor, University of Western Australia 2011-2014

International Max Planck Research School "The Life Course: Evolutionary and Ontogenetic Dynamics (LIFE)" Invited Faculty 2010-present

Outstanding Professor Award, given to one member of the University of Virginia Psychology Department 2008

Early Career Award from the Anxiety SIG for the Association for Behavioral 2007

and Cognitive Therapies

University of Virginia Teaching Fellowship	2006 - 2007
Max Planck International Research Network on Aging (Junior Fellow)	2005-2008
Mead Honored Faculty, University of Virginia Teaching award from the Mead Endowment in conjunction with the Dean of the College.	2004 - 2005
Yale University Psychology Department: Jane Olejarczyk Award Awarded to a graduate student who has contributed significantly to enhance the department.	2000 - 2001
Anxiety Disorders Association of America Trainee Travel Award Award presented at annual Anxiety Disorders Association of America conference in Austin, TX.	2002
Massachusetts General Hospital: Emerson Award Annual award recognizing the contribution of a manuscript authored by a clinical psychologist.	2002

Editorial Positions

Associate Editor:

- Perspectives on Psychological Science (2010-current)
- Cognition and Emotion (2007-2010)

Editorial Boards:

- Cognitive Therapy and Research (2006-current)
- Journal of Abnormal Psychology (2005-2010)

Guest Editor:

- Psychotherapy (2012, Special section organized by APA, Div. 12 Science & Practice cmt.)
- Journal of Behavior Therapy and Experimental Psychiatry (2005-2006, Special section)

Invited Talks and Colloquium

Regaining control: Interventions for automatic & strategic cognitive biases in adult anxiety
National Institute of Mental Health “Brain Camp” 2014, May

It’s not a heart attack, you’re just out of breath: Changing threat interpretations to reduce anxiety
Society for a Science of Clinical Psychology Presidential Address at the annual meeting of the
Association for Psychological Science 2014, May
University of Virginia, Behavioral Medicine, Charlottesville, VA 2014, January

Implicit anxiety associations: Can you regain control?
University of Virginia psychology department colloquium, Charlottesville, VA 2013, February

Changing thinking to reduce anxiety: Implications of a lifespan perspective
LIFE Fall Academy (Int’l Max Planck Research School), Charlottesville, VA 2012, October

Reducing symptoms by changing implicit associations tied to anxiety disorders
University of Virginia, Behavioral Medicine, Charlottesville, VA 2012, October
Invited address at the 23rd Annual Conference on Psychology in the Public
Sector, Western State Hospital, Staunton, VA 2012, October

Changing thinking to reduce anxiety: Translational potential of cognitive bias modification
Virginia Commonwealth University, Virginia Institute for Psychiatric
and Behavioral Genetics 2012, December
University of Groningen 2012, June
University of Western Australia psychology department, Perth, Australia 2012, May

Interactive Model of Anxious processing (IMAP): I think therefore I panic
University of California Berkeley, Institute of Personality & Social Research 2012, February
Stanford University, Department of Psychology, Affective Area Seminar 2011, October
Stanford University, Department of Psychology, Social Area Seminar 2011, October

Mental disorder: What's that?

Presenter and panelist at the Center for Advanced Study in the Behavioral Sciences (CASBS)
 "Crosstalk" series at Stanford University 2011, October

Dissemination of evidence based treatment

Presenter and panelist at the Center for Advanced Study in the Behavioral Sciences (CASBS)
 "Looking Ahead" series at Stanford University 2011, September

Treating anxiety disorders in adults

Invited workshop for Romanian psychologists sponsored by the Alexandru Ione
 Cruz University in Iasi, Romania 2011, July

Aging and emotional health: Relieving stress and managing negative moods

Charlottesville Senior Center (invited workshop) 2010, November

Aging and emotional reactions: Not a simple story

Guest Lecture for University of Virginia's Art & Aging Class in Psychology 2010, September

Understanding cognitive processing in anxiety disorders from a developmental perspective

LIFE Spring Academy (Int'l Max Planck Research School), Charlottesville, VA 2010, May

I think therefore I panic: Biased cognitive processing in panic disorder

University of Virginia, Women's Work Program, Charlottesville, VA 2010, December
 University of Virginia, Social Psychology Seminar, Charlottesville, VA 2010, March
 University of Virginia, Psychology Research Class, Charlottesville, VA 2010, March

The PACT Lab Sampler Plate: A taste of anxiety, and an amuse-bouche of biased cognitive processing and intervention in a lifespan perspective sauce

University of Virginia, Cognitive Psychology Seminar, Charlottesville, VA 2009, November

It's out of my control: Automatic processing in anxiety disorders

University of CO at Boulder psychology department colloquium, Boulder, CO 2008, February
 Washington University psychology department colloquium, St Louis, MO 2008, October
 Dickinson College psychology department colloquium, Carlisle, PA 2009, January
 University of Virginia psychology department colloquium, Charlottesville, VA 2009, February
 University of Western Australia psychology department, Perth, Australia 2009, March
 Concordia University psychology department colloquium, Montreal, QC 2009, March

Facing the mirror again: Body dysmorphic disorder assessment and treatment

2009, March
 Workshop for the Australian Association of Cognitive Behaviour Therapies, Perth, Australia

Treatment planning in clinical psychology: An evidence-based approach

2009, March
 Workshop for the Australian Association of Cognitive Behaviour Therapies, Perth, Australia

Obsessional beliefs and responses to intrusive thoughts: A lifespan perspective

2008, November
 University of Virginia, Developmental Psychology Seminar, Charlottesville, VA

- Managing anxiety problems among patients and caregivers 2008, February
Virginia Conference on Geriatric Care: 'Sharing the Challenge: Tools for Successful Caregiving'
- Emotional influences on perception and cognition: Be afraid...be very afraid 2008, February
University of Virginia psychology department colloquium
- Anxiety disorders: Assessment, etiology, and treatment 2006-2008 (annually), February
Guest Lecture for University of Virginia's Curry Programs in Clinical and School Psychology
- Automatic perceptual biases: A novel mode of fear expression 2007, December
FWO Scientific Research Community Meeting, Ghent, Belgium
- Information processing in anxiety disorders: Automatic and insidious 2007, November
Early Career Award Address: Anxiety SIG, Association for Behavioral and Cognitive Therapies
- Aging, bodily threat and anxiety
Maxnet Aging International Research Network meeting, Stockholm, Sweden. 2007, June
- Changing interpretations: Consequences for anxiety disorders
University of Virginia, Cognitive Psychology Seminar, Charlottesville, VA. 2006, November
- Aging, arousal and anxiety
Maxnet Aging International Research Network meeting, Charlottesville, VA. 2006, May
- Aging and cognitive theories of anxiety
Maxnet Aging International Research Network meeting, Marbella, Spain. 2005, November
- Obsessional beliefs and implicit appraisals of intrusive thoughts.
Stanford University, Psychology Department Personality Seminar, Stanford, CA. 2005, October
- Using implicit associations to test cognitive theories of anxiety
Implicit Cognition and Attention in Experimental Psychopathology and Health 2005, August
research meeting, Netherlands.
- Cognitive processing in anxiety disorders: Untangling the web of fear associations
Virginia Polytechnic Institute and State University, Blacksburg, VA. 2004, November
- Cognitive processing in anxiety disorders: Why spiders are so creepy
Washington and Lee University, Lynchburg, VA. 2004, April
- Using implicit cognition to examine changes following treatment for phobias and panic disorder
Implicit Cognition in Psychopathology Meeting, Belgium. 2003, August
- Supporting your loved one: Coping and resources
Annual meeting of the National Eating Disorders Association, St. Charles, IL. 2003, October

<u>Untangling the web of fear associations: An investigation of automatic processing in spider phobia</u>	
University of Wisconsin, Madison, WI.	2001, May
University of Pennsylvania, Philadelphia, PA.	2001, November
University of Waterloo, Waterloo, ON.	2002, January
University of Western Ontario, London, ON.	2002, January
University of Virginia, Charlottesville, VA.	2002, February
University of Missouri, Columbia, MO.	2002, February
Harvard University, Cambridge, MA	2002, March
Massachusetts General Hospital, Boston, MA	2002, June
<u>The skinny on automatic anti-fat bias</u>	
University of Wisconsin, Madison, WI.	2001, October
University of Pennsylvania, Philadelphia, PA.	2001, November
<u>Implicit fearful attitudes toward critters that creep and crawl</u>	
Yale University, Current Topics in Clinical Psychology, New Haven, CT.	1999, November
<u>What you lookin' at? Self-focused attention, causal attributions and social anxiety</u>	
Yale University, Current Topics in Clinical Psychology, New Haven, CT.	1999, January
Yale University, Current Topics in Social Psychology, New Haven, CT.	1999, February

Invited Meetings and Consulting

“Champions of psychology.” Invited participant by the Association for Psychological Science Student Caucus at the annual meeting of the Association for Psychological Science, Washington D.C.	2013
Expert witness	2010-2012
“Schizophrenia prevention: Using the tools of cognitive neuroscience to understand stigma associated with the risk label in the community.” Supported by the Irving Institute for Clinical and Translational Research of Columbia University	2010-2011
“Stigma Associated with a High-Risk State for Psychosis: Potential Adoption of a Controversial Diagnosis for DSM-V.” Supported by Columbia University School of Public Health, Calderone Prize awarded to Lawrence Yang	2009-2011
Research Community of the Flemish Science Foundation (FWO-Vlaanderen): “Automatic Processes in Psychopathology and Health Related Behavior”	2007-2012
‘B’ is for Bias, Southern Poverty Law Center	2006
American Psychological Association Science Leadership Conference	2005, 2007

Teaching Experience

Courses taught:

Abnormal Psychology (undergraduate lecture course)

Experimental Psychopathology (graduate seminar)

Psychological Intervention (graduate seminar)

Fear and Anxiety Disorders (undergraduate seminar)

Cognitive Biases in Anxiety and Related Disorders (undergraduate seminar)

Clinical Training and Experience

University of Virginia's Mary Ainsworth Psychological Clinic: Therapist and Supervisor

July 2002 – present, Director: Lee Llewellyn, Ph.D.

Massachusetts General Hospital: Clinical Psychology Fellow (cognitive-behavior track)

July 2001- 2002, Directors: Michael Otto, Ph.D., Steven Safren, Ph.D., Sheila O'Keefe, Ed.D.

Yale Psychological Services Clinic: Assistant Director

July 2000 - 2001, Primary Supervisor: Todd O'Hearn, Ph.D.

Yale Psychological Services Clinic: Anxiety Disorders Practicum

July 1999 – 2001, Primary Supervisors: Sheila Woody, Ph.D., Diane Sholomskas, Ph.D.

Yale Center for Eating and Weight Disorders: Therapist

July 1998 – 1999, Primary Supervisors: Marlene Schwartz, Ph.D., Kristin Siebrecht, Ph.D.

Yale Psychological Services Clinic: Intake Clinician

Sept. 1997 - July 1998, Primary Supervisors: Sheila Woody, Ph.D., Rhonda Adessky, Ph.D.

West Haven VA Hospital, Connecticut (interviews with inner-city adolescents to assess PTSD and substance abuse) Summer 1998, Primary Supervisor: Deborah Lipschitz, M.D.

St Paul's Hospital (in-patient eating disorder unit), British Columbia: Assessor

Fall 1996 - Spring 1997, Primary Supervisor: Josie Geller, Ph.D.

Leadership and Service Experience
--

National:

2014	President, Society for a Science of Clinical Psychology
2014	American Psychological Association Federal Advocacy Coordinator (FEDAC) campus representative
2013	Program chair for Society for a Science of Clinical Psychology's programming at the 2014 American Psychology Association's convention

- 2013 President-elect, Society for a Science of Clinical Psychology
- 2012 American Psychological Association Division 12 Program Committee
- 2012 Council of University Directors of Clinical Psychology, Nominations Committee
- 2011 Association for Psychological Science, search committee for editor for new journal *Psychological Clinical Science*
- 2010-present Chair, Clinical Science Training Grant Committee, Society for a Science of Clinical Psychology
- 2010-present Chair, Committee for Psychological Science Job Mentorship Program, Society for a Science of Clinical Psychology and Association for Psychological Science
- 2010-2011 American Psychological Association Division 12 Mentorship Program
- 2009-2011 At-Large Representative to the Society for a Science of Clinical Psychology Board (Division 12, Section III of the American Psychology Association)
- 2009-2010, Selection committee, World Congress of Behavioral and Cognitive Therapies
2012-2013 annual conference
- 2008-2010 Web Advisory Board, Association for Behavioral and Cognitive Therapies
- 2008-present 'Ambassador', Association for Behavioral and Cognitive Therapies (invited position to help promote the organization)
- 2008-present Advisory Board Member, Anxiety Special Interest Group for the Association for Behavioral Cognitive Therapies
- 2008, 2011 Nominations Committee, Society for a Science of Clinical Psychology
- 2008-2009 Society for a Science of Clinical Psychology representative to American Psychology Association Summit Committee to evaluate prescription privileges for psychologists
- 2007 Editor, Anxiety disorder sections for the update to the American Psychology Association Division 12 Empirically Supported Treatments web site
- 2005-2011 Science and Practice Committee, American Psychology Association Division 12
- 2002 Association for the Advancement of Behavior Therapy Program Committee
- 1999-2001 Clinical Representative, APA Science Student Council

University of Virginia:

- 2014-present Gilmer Hall renovations committee
- 2012-present Psychology Department, Director of Clinical Training (also 2010-2011)
- 2012-present Chair, Psychology Department Graduate Student Well-Being Committee (also 2010-2011)
- 2012-present Chair, Psychology Department Clinical Area Multicultural Evaluation Committee
- 2012-present Psychology Department Graduate Committee (also 2004-2005, 2010-2011)
- 2012-present Faculty mentor for To Write Love On Her Arms/Students for Mental Health Awareness student groups (also 2004-~2007, 2010-2011)
- 2010-2011 Chair, Psychology Department Colloquium Committee
- 2010 Promotion and Tenure Committee
- 2009-2011 Student Mentor, Office of African American Affairs (also 2002-2005)
- 2008-2010 Graduate student mentor for Tomorrow's Professor Today program
- 2008-2009 Psychology Department Human Participants Committee
- 2006-2008 Psychology Department Steering Committee (also 2003-2005)
- 2006, Spring Psychology Department Computer/Shop Committee
- 2004-2005 Faculty mentor for College Technology Internship Program

- 2003-2005 Psychology Department Clinical Faculty Search Committee
- 2003-2004 Psychology Department Interdisciplinary Committee
- 2003 Faculty Marshall, commencement services
- 2002--2007 Faculty Sponsor, HOPE student group for the prevention of eating disorders

Visiting Scholars (hosted by the lab):

- 2010 Wilson Melo (Brazil)
- 2007-2008 Bogdan Tulbure (Romania)

Selected Conference Posters and Presentations
--

Teachman, B. A., & Werntz, A. J. (May, 2014). Project Implicit Mental Health: An online platform to discover mental health associations outside conscious control. Paper presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.

Beadel, J. R., Ritchey, F. C., Carney, D. M., Gorski, E. L., Alvarez, Z. V., & Teachman, B. A. (November, 2013). The importance of fear domain specificity in changing cognition in cognitive bias modification. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Nashville, TN.

Emeh, C. C., Mikami, A. Y., & Teachman, B. A. (November, 2013). Implicit and explicit positive illusory bias predicting symptoms of internalizing psychopathology in children. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Nashville, TN.

Glenn, J. J., Werntz, A. J., Steinman, S. A., Nock, M. K., & Teachman, B. A. (November, 2013). Implicit and explicit mental health evaluations: Results from Project Implicit Mental Health, a large-scale web-based study. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Nashville, TN.

Gorlin, E. I., Rakosi, E., M., Norton, S. T., & Teachman, B. A. (November, 2013). Multi-modal predictors of anxious behavior during a social stressor task. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Nashville, TN.

Gorlin, E. I., & Teachman, B. A. (November, 2013). Attentional control as a moderator of threat-related attentional biases in social anxiety. Paper presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Nashville, TN.

Reuland, M. M., Glass, J. H., Gravett, V. A., Emeh, C. C., Smith-Janik, S. B., & Teachman, B. A. (November, 2013). Individual differences and bias characteristics as predictors of cognitive threat biases: The puzzling role of depression. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Nashville, TN.

- Ritchey, F. C., Beadel, J. R., Carney, D. M., Casserino, J. W., Schrader, T. L., & Teachman, B. A. (November, 2013). Cognitive change during cognitive bias modification for contamination fear. Poster presented annual meeting of the Association for Behavioral and Cognitive Therapies, Nashville, TN.
- Steinman, S. A., Smyth, F. L., Bucks, R. S., MacLeod, C. & Teachman, B. A. (November, 2013). What's next? The effects of anxiety and age on expectancy bias. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Nashville, TN.
- Teachman, B. A. (November, 2013). Cognitive bias modification for treatment of anxiety disorders: Big picture considerations for implementation in the clinical setting. Panel member at the annual meeting of the Association of Behavioral and Cognitive Therapies, Nashville, TN.
